

## Client Success Story: Dan Supported Internships

- Dan's placement at DMS Auto is continuing well.
- He works on cars, including helping with MOTs, servicing, tyre changes and oil changes.
- There is also general housekeeping to do, such as sweeping, tidying and recycling.

- The mechanic that Dan works with said:
- "You can rely on Dan to do what he is asked to do. He is a good lad."
- Dan has continued to settle in well. He has gained more confidence and is talking more to the mechanics. Dan says he is happy in his role.
